## For Hyde Park Residents

Need assistance in acquiring a cloth face mask (non-surgical)? The Town of Hyde Park, working with local emergency managers and community volunteers, will provide one cloth face mask to each household member upon request. If you have a child 6 years or younger, smaller masks are available. Masks may be requested by phone (802-888-2300) or [ron@hydeparkvt.com](mailto:ron@hydeparkvt.com) – provide your contact information, a physical address for the household where masks are needed & the quantity. At the current time, please request one mask per household member. Currently, masks are free with community donations of materials and volunteer time. You will be contacted regarding pickup & delivery options.

Questions: Susan Bartlett at 802-777-0367.

Please follow the 6-foot rule, wear a facemask when in public, check on your neighbors, support local businesses & flush only toilet paper.

---

**Thank you for taking care of yourself and taking care of your neighbors!**
