2024-2025 Annual Appeal

Dear Friends,

As a valued member of our community, you may have already witnessed firsthand the positive impact our programs and services have on our community. From fostering a love of reading in children, to providing essential resources for lifelong learning, the library plays a vital role in Hyde Park and surrounding areas.

We are asking you to help support our continued efforts to provide activities and services to this community. Your tax-deductible contribution to our 2024-2025 Annual Appeal for additional funds goes a long way in supporting our library's many services and improvements.

Why Your Support Matters

Your contribution directly supports:

- **Access to Educational Materials:** Local students benefit from a wealth of educational resources available at the library.
- **Storytime Sessions for Young Readers:** Fostering a lifelong love of reading begins with engaging Storytime sessions.
- **Community Events:** Our library brings neighbors together through events that celebrate learning, creativity, and connection.

Discover Our Highlighted Gems

While you may be familiar with some of our offerings, there are a few gems you might not know about:
